

## Mouse IL-24 Protein, His tag (Animal-Free)

Cat #: PRP1111

Size: 5 µg/20 µg/100 µg/1 mg

### Product Information

	<b>Product Name:</b> Mouse IL-24 Protein, His tag (Animal-Free)		
<b>REF</b>	<b>Catalog Number:</b> PRP1111	<b>LOT</b>	<b>Lot Number:</b> Refer to product label
	<b>Purity:</b> > 95 % as determined by SDS-PAGE		
	<b>Storage:</b> Store at -20°C		<b>Preparation method:</b> E.coli
	<b>Shipping:</b> The product is shipped at ambient temperature.		

**Background:** Interleukin 24 (IL-24) is a cytokine belonging to the IL-10 family of cytokines that signals through IL-20R1 /IL-20R2 and IL-22R1 /IL-20R2. Its normal physiological role is connected with wound healing, protection against diseases caused by bacteria.

**Sequence:** Amino acid sequence derived from Mouse IL-24 (Gln66-Leu220) (NP\_444325.2) was expressed with 6×His tag at the C-terminus.

**Protein length:** The recombinant mouse IL-24 consists of 155 amino acids and predicts a molecular mass of 18.94 kDa.

**Biological Activity:** Measured by its ability to induce proliferation in BaF3 cells transfected with human IL-20 R alpha and human IL-20 R beta. The ED<sub>50</sub> for this effect is <0.3 ng/mL.

**Endotoxin:** <0.1 EU per 1 µg of the protein by the LAL method.

**Formulation:** Lyophilized from PBS, pH 7.4.

**Storage Instructions:** Lyophilized protein product should be stored desiccated below -18°C. Upon reconstitution, the protein should be stored at 4°C between 2-7 days and for future use below -18°C. For long term storage it is recommended to add a carrier protein (5% HSA, 10%FBS or 0.1%BSA). Please prevent freeze-thaw cycles.

**Usage notes:** Always centrifuge tubes before opening. It is recommended to reconstitute the lyophilized recombinant protein to a concentration of 0.1-1 mg/mL using the buffer we provided, and keep at room temperature for at least 20 min to fully dissolve. Please avoid vortex vigorously.

**Note:** The product listed herein is for research use only and is not intended for use in human or clinical diagnosis. Suggested applications of our products are not recommendations to use our products in violation of any patent or as a license. We cannot be responsible for patent infringements or other violations that may occur with the use of this product.
